

Suggested Access to Men's Home

Basketball Public Parking

Take Advantage of Half-price Public Game Day Parking
in the Bell Tower Lot for the Remainder of the 2011 / 2012 Season

Due to delays and congestion related to incoming men's home game basketball traffic accessing the campus via Manning Drive from Fordham Drive, it is highly recommended that motorists choose alternate routes onto campus in advance of games.

It is suggested that those fans accessing public parking for just \$5.00 through the end of the 2012 season at the Bell Tower Deck (off South Road), for \$10.00 in the Boshamer Lots (off Ridge Road), and \$10.00 in the Jackson Deck (off Manning Drive) should do so via South Columbia Street (from the north or south) and via Raleigh Road / NC 54 to South Road (from the east). Please see the maps below for the locations of game day / evening public parking and recommended routes of ingress.

Call the Department of Public Safety at 962-3951 during normal business hours with other questions or concerns.
