

Attention K Permit Holders:

The "Lower Ehringhaus K Lot" will be reserved for all seven home football games this season. "K" permits will need to relocate from the lower lot by 8 a.m. on home football Saturdays.

Football Fridays & Saturdays: To reduce the number of vehicles towed from the lower lot on football Saturdays, there will be a monitor on duty at the lower lot entrance on Fridays of football weekends from 4 p.m. until 10:30 p.m. The monitors will remind drivers of the game parking restrictions. At 10:30 p.m., the monitor will chain the lot closed and it will remain chained until 8 a.m. on Saturday morning to prevent vehicles from "missing the sign" on Friday night and parking in the lower lot, only to be towed on Saturday morning. If you are chained in the lot between 10:30 p.m. Friday and 8 a.m. Saturday, and need to exit the lot, you may contact UNC Public Safety at (919) 962-8100 or 962-8006 and request a "let-out from Ehringhaus Lot."

To avoid being locked in the lower lot, "K" permit holders may move their vehicle to the S11 Manning Lot as early as 7:30 a.m. on the Friday preceding home football Saturdays.

"K" permits will be honored in the S11 Manning Lot (next to Family Practice along Bowles Drive). Parking Control will honor "K" permits in the S11 Manning Lot on those specific Fridays (see map below).

"K" permits will also be honored on football Saturdays, as long as the "K" permit holders are not parking to attend the football game. Vehicles with occupants parking to attend the game will be charged \$10 to park.
