

# Attention K Permit Holders:

**The "Lower Ehringhaus K Lot" will be reserved for all seven home football games this season.** "K" permits will need to relocate from the lower lot by 8 a.m. on home football Saturdays and by 4 p.m. for the Thursday night football game on October 22nd.

**Football Fridays & Saturdays:** To reduce the number of vehicles towed from the lower lot on football Saturdays, there will be a monitor on duty at the lower lot entrance on Fridays of football weekends from 4 p.m. until 10:30 p.m. reminding drivers of the game parking restrictions. At 10:30 p.m., the monitor will chain the lot closed and it will remain chained until 7:30 a.m. on Saturday morning to prevent vehicles from "missing the sign" on Friday night and parking in the lower lot, only to be towed on Saturday morning. If you are chained in the lot between 10:30 p.m. Friday and 8 a.m. Saturday, and need to exit the lot, you may contact UNC Public Safety at (919) 962-8100 or 962-8006 and request a "let-out from Ehringhaus Lot."

To avoid being locked in the lower lot, "K" permit holders may move their vehicle to the S11 Manning Lot (see map below) as early as 7:30 a.m. on the Friday preceding home football Saturdays. The S11 Manning Lot is located next to Family Practice and along Bowles Drive. "K" permits will be honored in the S11 Manning Lot by Parking Control on those specific Fridays. "K" permits will also be honored on football Saturdays, as long as the "K" permit holders are not parking to attend the football game. Vehicles with occupants parking to attend the game will be charged \$10 to park.

**Thursday Night Football:** Even though it is fall break, "K" permits or valid game night permits will be required in both the upper and lower lots for most of fall break.

The upper lot will be reserved for "K" permit holders only from 7:30 a.m. on Wednesday, October 21 until Friday, October 23 at 5 p.m. The upper lot will not be used for football parking.

The lower lot will be reserved for "K" permit holders from 7:30 a.m. on Wednesday, October 21 until 4 p.m. on Thursday, October 22, when the lower lot will convert to game night permit holder parking only. All "K" lot permit holders will need to relocate from the lower lot by 4 p.m. on October 22 and remain vacated from the lower lot until 11:59 p.m. on October 22. At 12:01 a.m., October 23, the lower lot will revert back to normal weekday parking regulations, including requiring a valid "K" permit from 7:30 a.m. until 5 p.m.

Alternate parking will be made available to "K" permit holders for Thursday, October 22. More specific parking information regarding October 22 will be forthcoming as the parking arrangements and restrictions for October 22 are finalized and game night approaches.
