

# Attention S11 Permit Holders:

The upper and lower tiers of the Manning Lot (S11 Zone) will be closed starting Monday, June 29 through Monday, July 6 (5:00 a.m. )for the paving contractor APAC-Atlantic, Inc. to do repairs and re-surface these two tiers of the parking lot. The middle tier will be open for parking. If overcrowding occurs, those who normally park in this area should seek alternate parking within the S11 zone, i.e., in the Bowles or Smith Lot (see map below).

Chapel Hill Transit CM, N, and RU routes will have to pick-up / drop-off on Skipper Bowles Drive near the entrance to the middle tier of the parking lot and then make a left on Manning Drive to continue their routes. Stops on Bowles Drive at Manning Drive, Skipper Bowles (opposite the Smith Center), and Bowles at Ram's Village for these routes only will be temporarily discontinued during this time. Transit stops will remain opened for all other routes serving Bowles Drive. Shuttles to the Family Practice Center will also continue to service the lot's middle tier via a stop near the lot entrance.

For further parking information or questions, call the UNC Department of Public Safety at (919) 962-3951.
