

# Attention Motorists:

West Drive will be closed to through traffic from Monday, August 1 through Friday, September 2 for the first phase of construction on the West Drive Overhead Pedestrian Bridge, to link the Cardinal Parking Deck with the Imaging Research Building (IRB). Motorists are asked to plan accordingly

Barricades will be placed at the northern end of West Drive, and a monitor will be on duty allowing access to PD Permit Holders only. Detoured traffic should use East Drive or Columbia Street to reach areas normally accessed via West Drive (see map below). PLEASE NOTE: West Drive will be open to through traffic for all UNC Home Football Games.

Phase 2 of the project will be Monday, October 31 through Friday, December 2 (for the installation of structural cross-beams), and the final phase will be in the spring of 2012.

Call the Department of Public Safety at 962-3951 during normal business hours with other questions or concerns.
