

Carolina Basketball 2010-2011

Getting to the Game Is Easy with the Tar Heel Express

Park and Ride Shuttles

Chapel Hill Transit will operate the full Tar Heel Express for each home basketball game. Tar Heel Express buses will operate from the traditional four locations from approximately 1.5 hours prior to game time to just after tip-off, with return trips to the lots immediately following the game. The four traditional park and ride lots are as follows: (1) **The Friday Center** park and ride lot off Highway 54, (2) **University Mall** near Dillard's, (3) **Southern Village** and (4) **Jones Ferry Road**. The cost is \$5 per person round trip.

Additionally, Chapel Hill Transit will operate a special downtown shuttle from the **Carolina Coffee Shop** on Franklin Street. The fare is \$4 per person round trip and \$2.00 one-way.

- [The Highway 54 park and ride lot](#) is located off the Friday Center Drive on the left, just off of Highway 54 East.
- [University Mall](#) is located off 15-501 South on the right traveling from Durham.
- [Southern Village](#) is located just off 15-501 South as you are traveling from Pittsboro on the edge of Chapel Hill.
- [Jones Ferry Road park and ride lot](#) is located off Highway 54 west in Carrboro, exit onto Jones Ferry Road and go right as you are traveling into Chapel Hill from Carrboro.

Charter Bus Parking

There is very limited space available for charter buses attending UNC games. Bus parking is primarily dedicated to Chapel Hill Transit for the Park and Ride Tar Heel Express bus service and Carolina Livery for disability shuttle service.

Charter buses are encouraged to make parking arrangements at least 72-hours in advance or risk being sent to off-campus parking on game days/nights. Charter bus parking reservations will be accepted on a first-come-first serve basis. Regretfully, once the designated charter area is full, all additional requests will have to be denied. For these reasons, charter bus companies that do not make advance notice run a higher risk of being denied access to the Smith Center pre and post game.

To make advance charter bus parking arrangements, submit a special event parking request on-line by visiting our website at

<http://www.dps.unc.edu/Forms/specialevents/allspecialevents.cfm>

Requests cannot be accepted by phone or in person and may be rejected if received after 72-hours prior to game time. The fee for charter bus parking is \$40 per bus (charters or school buses).

General Public Parking Information

The lots around the Dean E. Smith Center will be reserved for basketball permit holders. Vehicles without valid 2010-2011 basketball permits will not be allowed to park in the lots surrounding the Smith Center.

However, there are four (4) areas on campus reserved for General Public Parking.

- **Cardinal Deck** (off 15/501 to Columbia Street or Pittsboro Street to Columbia Street and then Manning)
- **Jackson Deck** (off 15/501 to Columbia Street or Pittsboro Street to Columbia Street and then Mason Farm Road)
- **Rams Head Deck** (off 54 and 15/501 to Raleigh Road, then Country Club then Ridge Road)
- **Boshamer Lots** (off Ridge Road)
- Note: The Dogwood Deck is not available for game parking this season. It is reserved for working employees with Dogwood Parking permits and hospital patients and visitors. The Bell Tower Lot is closed due to construction.

To assist traffic control personnel in keeping traffic flowing as smoothly as possible, we recommend the following routes to the suggested parking lots. The access from 15/501 to Columbia Street is expected to be the most expedient route as most motorists will choose the Manning Drive corridor from 15/501 or Pittsboro Street.

Cardinal Deck- Coming from Durham or Raleigh, stay on 15/501/54 past Manning Drive and take the 15/501 South exit. At the top of the exit, turn right onto Columbia Street and then turn right at the second stop light. After turning right at the second light onto Manning Drive, follow Manning Drive to the 1st light and turn right onto West Drive and left into the

Cardinal Parking Deck. Coming from Martin Luther King, Jr. Boulevard (Historic Airport Road) and Pittsboro Street, follow Pittsboro Street to Manning Drive and then turn right at the 1st light onto West Drive and then left into the Cardinal Parking Deck. Coming from Pittsboro, instead of exiting onto 15/501 and Highway 54 at the overpass, stay across the overpass to Columbia Street. After crossing the overpass, follow Columbia Street to the 2nd light and turn Right onto Manning Drive and then turn right at the 1st light onto West Drive and left into the Cardinal Deck. [You can access the Smith Center by taking the stairs or elevator to ground level and following the sidewalk to the Craige Deck and turning right at the Craige Deck sidewalk and following the stairs down through the Bowles Lot. \(Approximately 5-8 minute walk, depending on your pace\).](#)

Jackson Deck- Coming from Durham or Raleigh, stay on 15/501/54 past Manning Drive and take the 15/501 South exit. At the top of the exit, turn right onto Columbia Street and then turn right at the first stop light onto Mason Farm Road. Follow Mason Farm Road until you see a parking deck on the right (past a 3-way intersection) and then follow the event signs to parking on the right in the Jackson Deck. Coming from Martin Luther King, Jr. Boulevard (Historic Airport Road) and Pittsboro Street, follow Pittsboro Street to the split toward Manning Drive and Columbia and stay to the right toward Columbia Street. Once on Columbia Street, turn left at the first stoplight onto Mason Farm Road. Follow Mason Farm Road until you see a parking deck on the right (past a 3-way intersection) and then follow the event signs to parking on the right in the Jackson Deck. Coming from Pittsboro, instead of exiting onto 15/501 and Highway 54 at the overpass, stay across the overpass to Columbia Street. After crossing the overpass, follow Columbia Street to the 1st stoplight and turn right onto Mason Farm Road. Follow Mason Farm Road until you see a parking deck on the right (past a 3-way intersection) and then follow the event signs to parking on the right in the Jackson Deck. [This lot is about a block and a half from the arena and doesn't compete with exiting pedestrian traffic post event. To get to the Smith Center, exit the Deck and turn right along the sidewalk on East Drive and then right along the sidewalk on Manning Drive. Follow the Manning Drive sidewalk to the Craige Deck and turning right at the Craige Deck sidewalk and following the stairs down through the Bowles Lot. \(Approximately 5-8 minute walk, depending on your pace\).](#)

Rams Head Deck- Coming from I-40 on Highway 54 directly into campus, stay under the 54 overpass onto Raleigh Road and turn left onto Country Club Road at the 1st stop light past Fordham Boulevard. Then immediately turn right onto Ridge Road and follow it down past Boshamer Baseball Stadium and Stadium Drive. The Rams Head Deck and dining center is the large brick building on the right past Stadium Drive. **From NC 86 and Martin Luther King, Jr. Boulevard (Historic Airport Road),** follow Pittsboro Street to McCauley Street and turn left and cross Columbia Street onto South Road. Follow South Road to Country Club Road and turn right (3rd stoplight) and then immediately turn right onto Ridge Road and follow it down past Boshamer Stadium and Stadium Drive. The Rams Head Deck and dining center is the large brick building on the right past Stadium Drive. **From Pittsboro and south,** instead of exiting onto 15/501 and Highway 54 at the overpass, stay across the overpass to Columbia Street. After crossing the overpass, follow Columbia Street to the 4th stoplight at the intersection of South Road and Columbia and turn right onto South Road. Follow South Road to Country Club Road and turn right (3rd stoplight) and then immediately turn right onto Ridge Road and follow it down past Boshamer Stadium and Stadium Drive. The Rams Head Deck and dining center is the large brick building on the right past Stadium Drive. **To get to the Smith Center, exit the deck and head right up the hill toward the stop light. At the stop light, cross Manning Drive and head down the hill. The arena is down the hill. The walk takes about 4 minutes. One of the nice features of parking in this lot is the fact that Manning Drive traffic does not compete with the traffic on Ridge Road, so exiting is easy and relatively fast.**

Boshamer Lots: The Boshamer Parking Lots are best accessed via Country Club Road and Raleigh Road to Ridge Road once on campus or via US 15/501 to Manning Drive on the Smith Center end of Manning Drive. If arriving via US 15/501 from Durham or from Highway 54 from I-40, take the UNC exit at the Highway 54 and 15/501 bridge to Raleigh Road. Follow Raleigh Road to the first stop light and 26 turn left onto Country Club Road and then an immediate right onto Ridge Road.

If arriving from US 15/501 from Durham an alternate route would be to exit US 15/501 onto East Franklin Street and follow Franklin Street to Raleigh Street (just prior to the Morehead Planetarium) and turn left onto Raleigh

Street. Follow Raleigh Street to the first light and turn left onto Country Club and follow Country Club to Ridge Road (after the 2nd light) and turn right.

If arriving from Highway 86, follow it to Columbia Street and then turn left onto Cameron Avenue. Follow Cameron Avenue until it becomes Country Club Road and then follow it across South Road to Ridge Road and turn right.

From US 64 / Pittsboro, follow US 15/501 to NC Highway 54 and take the ramp to Highway 54 East. Follow Highway 54 East to Manning Drive and turn left onto Manning Drive. Follow Manning Drive to the first stoplight. Turn right onto Ridge Road. Boshamer will be on the right.

Reserved Basketball Permit Parking

The lots surrounding the Dean E. Smith Center are reserved either for operations or for Educational Foundation members meeting certain requirements. These lots must be cleared prior to each game. Therefore, **unless otherwise noted, vehicles remaining parked in these lots past 5:30 p.m. weekdays and 10:00 a.m. on weekends are cited and towed.** The lots affected by this policy are as follows: (1) Williamson Lot / Williamson Drive (formerly named the Smith Lot), (2) Dean E. Smith Lot (Formerly the Koury Lot and the Dean E. Smith Lot), and (3) the Bowles Lot. Additionally, vehicles parked in the Manning lot, Business School Deck, or Public Safety lots must be moved to alternate lots by 6:00 p.m. weekdays and 10:00 a.m. on weekends.

Please check the lot entrance signs to confirm removal times.

Employees attending the men's basketball game, and parking in a \$10.00 general public game parking lot, will be expected to pay the \$10.00 parking fee to park.

Frequently Asked Questions

Frequently Asked Question	Answer to Question
Drop-off/Pick-ups Can I drop-off and pick-up my family for games?	We would prefer there were no drop-offs and pick-ups because it they stop traffic and cause

	<p>congestion. However, if you must drop-off prior to a game, you may drive down Bowles Drive from the Ridge and Manning Intersection to drop-off at the turnaround and then circle back up the drive. However, for safety reasons, drop-offs are not allowed in front of the Smith Center.</p> <p>Pick-ups from Bowles Drive are discouraged. <p>Disability Parking</p> <p>Where do fans with disabilities park and how do they get to the arena?</p>	<p>Disability parking is reserved in the Rams Head Parking Deck, with the other public parking. Wheelchair accessible vans and buses service our fans with</p>

	<p>disabilities and take them and their caretaker (if this applies) to the front of the Smith Center. Golf carts will be available from the buses to the "A and B" doors of the Smith Center for the patrons that cannot negotiate the remaining short distance to the "A and B" doors.</p>
<p>Disability Parking</p> <p>Why is disability parking located so far from the stadium?</p>	<p>Misuse of disability permits/placards and construction in the area has limited the number of spaces available near the Smith Center. Additionally, misuse of disability parking has rendered the old service less than efficient and less than acceptable for our valued fans with disabilities. In fact, none of the parking spaces at the Smith Center meet ADA requirements for fans with disabilities attending an event at the arena, in terms of distance to the doors, incline, etc. Therefore, an ADA acceptable</p>

	<p>alternative is to have a shuttle system that runs to the venue from a designated parking lot.</p> <p>We hope the change in disability parking will actually be an improvement for our valued fans with disabilities.</p>
<p>Disability Parking</p> <p>What is required for access to disability parking and shuttles?</p>	<p>Any vehicle displaying a disability plate, permit or placard will be given access to the reserved disability parking, if the driver also pays the \$10.00 parking fee.</p>
<p>Disability Parking</p> <p>Is it possible to arrange one-game disability parking for someone that has a temporary disability such as a broken leg, but no disability permit?</p>	<p>Yes. Contact the Department of Public Safety at 962-3951 for special one-game disability parking permits. There will be a \$10.00 parking fee upon entry to the designated parking lot, but the permit from Public Safety will allow access to the lot with the \$10.00 entry payment.</p>
