Point-to-Point (P2P)

Point-to-Point (P2P) is operated expressly for UNC faculty, staff, and students by the UNC - Chapel Hill Department of Public Safety. Its goal is to supplement Chapel Hill Transit service. The following details the services offered by the Point-to-Point transportation system.

P2P Express Evening Shuttle

P2P operates an evening, free fixed-route bus service for all UNC students and employees called the P2P Express from 7:00 p.m. until 3:00 a.m., seven days a week during the fall and spring academic semesters. P2P Express does NOT run during summer semesters or on University-recognized holidays during which residence halls are closed. Call the P2P dispatcher - 962-7867 or visit the website listed above.

When boarding, students should be ready to show their University I.D.; employees may be asked to show a UNCONe card as verification of employment at UNC. It is not necessary to call and request service to board the P2P Express. The Express serves a regular route on a regular, fixed schedule (see the Express route map) and stops only at designated pick-up points marked by signs on campus. *NOTE: The P2P route map and schedule is on the reverse side of this flyer.*

Point-to-Point Shuttles

Point-to-Point demand response service pick-up and drop-off points are limited to on-campus locations or specific off-campus locations owned or operated by the University. Service is also limited to the normal operating hours of that location. P2P does not offer service to buildings that are normally closed, for example, during the evening or weekend hours. After dark, P2P operates demand-response vans for those passengers not on the P2P Express bus route.

Rides may be requested by calling P2P dispatch. Passengers with pick-up and drop-off points on the Express route are NOT eligible for this van service. Both the demand-response service and P2P Express may cease operation on University-recognized holidays. Call the P2P dispatcher - 962-7867 or visit the DPS website www.dps.unc.edu for more information.

Law School Shuttle

A shuttle runs continuously between the Law School and the "T" Lot from 5 p.m. to 9 p.m. Mondays through Thursdays during the Fall and Spring semesters.

Student Health Shuttle

Transportation to and from campus locations and the Student Health Service or UNC Hospitals' Emergency Room is available to students during all hours of operation. *NOTE: Emergency conditions requiring treatment en route or dealing with bleeding issues must be addressed to the Orange County EMS service (call 911).*

Library Safe Ride Shuttle

A shuttle will run continuously between midnight and 3:00 a.m., Monday through Thursday during all and spring semesters. It links the Student Union with campus housing locations (including fraternities and sororities close to campus).

Sunday Evening RR Lot Service

A P2P minibus runs continuously between the RR (Estes Dr.) parking lot and campus every 20 minutes from 11:00 p.m. until 3:00 a.m., every Sunday (after Chapel Hill Transit ceases "NU" Route service) during the fall and spring semesters.

Disability Services

P2P provides priority service to those affiliated with UNC who have mobility impairments. This service is available 24 hours a day, Monday through Friday. On Saturdays and Sundays, the disability shuttle runs from 9 a.m. until 5 p.m. For more information, visit the student disability services site at www.disabilityservices.unc.edu or the employee site at www.unc.edu.depts.eooada/. P2P disability services require a P2P Disability Card from Student Health Services or UNC Disability Services. Employees may obtain a card from the Parking Services Office of the Department of Public Safety or from P2P. Resident students with disability cards will be provided transportation from residence halls to campus locations. P2P vehicles include special vans equipped with wheelchair lifts.

CAP Emergency Ride Back

In an effort to reduce traffic congestion and the number of vehicles parked on campus, the Commuter Alternatives Program (CAP) is designed to reward UNC employees and students who do not drive a single-occupancy vehicle (SOV) to commute to campus. CAP registrants can take advantage of such incentives as Emergency Ride Back transportation, offered from campus to park and ride lots, or other locations within the Chapel Hill Carrboro city limits in situations of urgency. In an emergency, CAP participants should contact the Emergency Ride Back dispatcher at 843-7671 (843-"SOS1") for transportation to their own vehicles. For more information on the Commuter Alternatives Program, call DPS at 962 - 3951 or visit the DPS website at www.dps.unc.edu

Suspension of Services

P2P may suspend service during normal operating hours due to traffic congestion caused by special events. Delays should not exceed 30 minutes after an event in the Smith Center or 45 minutes after an event at Kenan Stadium. P2P service may also be suspended or cancelled due to weather conditions.
