**Bicycle Registration**

Bicycle registration is required by the Department of Public Safety. Registration serves several purposes:

- It's a deterrent to crime.
- It can aid in the identification of lost or stolen bicycles.
- It enables the Department of Public Safety to plan more accurately for improved bicycle parking and bicycle safety around the UNC campus.

**How to Register a Bike**

Bicycle registration at UNC is cost-free and easy. Registration forms are available on-line - [www.dps.unc.edu](http://www.dps.unc.edu) or the use the attached registration form.

The Registration lasts for five years. The stickers are not transferable. A new bicycle requires new registration.

The purchase of an already-registered bike also requires re-registration under the new owner's name. When you receive your UNC Bicycle Registration sticker, affix it to the bike's frame on the rear, upright frame bar supporting the seat as shown.

**A Few Bike Regulations**

Here are a few rules to follow regarding Bicycle registration and operation of bicycles at UNC:

- Bicycle registration is required.
- Registration stickers *aren't transferable!*
- It's unlawful to operate a bike in a manner that jeopardizes pedestrian safety or property.
- It's only legal to park bikes at designated bicycle parking areas denoted by the presence of bicycle racks. Bicycles found locked to bushes or trees, or any campus structures (i.e., lightposts, stair railings, etc.) will be impounded.
- UNC accepts no responsibility for damage to bikes or locking devices during impoundment.
- The fee for recovery of an impounded bicycle is \$10.00.
- Bicycles that remain stored for longer than 90 days or 30 days at the end of the academic term will be deemed "University property."

**Commuter Alternatives Program (CAP)**

In an effort to reduce traffic congestion and the number of vehicles parked on campus, the Commuter Alternatives Program (CAP) is designed to reward UNC employees and students who do not drive a single-occupancy vehicle (SOV) to commute to campus. The program is free and only requires that the CAP registrant commute to campus and not hold an SOV (parking) permit. CAP encourages all forms of alternatives transportation, including walking, bicycling, transit use, park and riding, and car and vanpooling. For more information, call DPS at 962 - 3951 or visit the DPS website at [www.dps.unc.edu](http://www.dps.unc.edu)
